Press Release (ePRNews.com) - NEW YORK - May 31, 2018 - [Velstar International](#) ([www.velstar.com](http://www.velstar.com)), a global organization serving the technology needs of enterprise and commercial real estate markets, is proud to announce its sponsorship of the 6th Annual PinkTie.org 2018 Event to benefit Stony Brook Children's Hospital

[PinkTie.org](#) has officially kicked off plans for the highly anticipated event, which will take place on Monday, June 11, from 6 to 11 p.m. at The Carlton At Eisenhower Park, N.Y. One hundred percent of proceeds will go to charity. Not only is the community impact huge, but also 5,000 expected attendees will enjoy featured guest appearances from Tony Award nominee, Constantine Maroulis, Wrestling Legend, Hulk Hogan and former NY Yankee great, and Latin Grammy Award nominee, Bernie Williams.

The event promises to be an exciting evening of networking, amazing food, an open bar, raffle prizes, a unique wine lounge, beer garden, casino games, and more unforgettable experiences.

What began as a small business networking effort with a charitable bent has become the backbone of Long Island's fastest-growing philanthropy movement – a collaborative effort uniting top attorneys, realtors, sports icons, celebrities and other representatives of the Northeast's corporate elite. In addition to the high-profile participants, Signature Pink Ties autographed by athletes and celebrities are framed and auctioned off at PinkTie.org's events, bringing further awareness to the local philanthropic efforts they support.

Founded in 2012 by Mike Cave, [PinkTie.org](#) was built on the methodology of growing personally and professionally through giving back and building a strong presence in the community. This and other PinkTie.org philanthropic efforts capture the true spirit of Long Islanders joining together in the fight against diseases that disproportionately affect loved ones.

"We are thrilled to announce Velstar as a Go-Giver sponsor for this year. Thank you so much, Velstar, for contributing and being a part of this great cause!" said Mike Cave, Founder of PinkTie.org.
